- At 95/128 split, stay on Rt. 128
Continue **Below**

Below

- From Rt. 128, take exit 25A/Route 114. At bottom of ramp, go Right (East) on to Rt. 114. Passing through first traffic light, merge into left hand lane and continue to follow all road signs for Rt. 114 East heading into downtown Salem
- At main intersection—with Dunkin' Donuts on left—stay in middle lane and cross Washington Street.
- Go half a block and turn left into Salem Marketplace parking lot (opp. Walgreen's)
- Walk up through the Salem Marketplace towards Old Town Hall.
- Our building, 10 Derby Square, is to the immediate left of Town Hall, in the same building as the Marine Models Gallery. Take elevator to "3" for Available Light.

ALTERNATE FROM BOSTON OR LOGAN INT'L AIRPORT

- Take Ted Williams OR Callahan Tunnels NORTH towards Logan Airport/Rt. 1A North
- Take Rt. 1A North (Note: You will pass through Revere, Lynn, Swampscott & Salem)
- Stick with Rt. 1A! It is well marked but there a number of odd turns & rotaries.
- When you get to the center of Salem, Rt. 1A takes a right on Derby Street (see map above (landmarks: video store on near left & firehouse on far left corner.) Rather than make this right to stay on 1A, go STRAIGHT on Lafayette Street.
- Turn left into metered parking lot (behind Firehouse)
- Walk up through the Salem Marketplace towards Old Town Hall.
- Our building, 10 Derby Square, is to the immediate left of Town Hall, in the same building as the Marine Models Gallery. Take elevator to "3" for Available Light.

BY COMMUTER RAIL/MBTA

- Departing North Station, take the Newburyport or Rockport train and get off at Salem Station. Available Light is a 5-minute walk from station. Exit up the stairs and cross street past small rotary onto Washington St. Walk 3 blocks to Essex Pedestrian Mall on left. Turn onto Essex St. Pedestrian Mall, walk east towards shops. Turn right at Derby Square (look for bookstore on corner.) 10 Derby Square is down on the right, the Marine Models Gallery (separate entrance) is located in the building. Take elevator up to "3" for Available Light.
