

Jacqueline Kennedy: The White House Years

Boston MA

Presented at the John F. Kennedy Library and Museum, this unprecedented special exhibit of the original clothing and accessories worn by Mrs. John F. Kennedy at state events in America and abroad marks the 40th anniversary of her emergence as America's first lady. As Exhibit Lighting Designer we worked to create a multi-layered and dynamic look that did not exceed strict lighting intensity levels as dictated by conservation curators.

Exhibit Design: JFK Library and Museum
Completed: 2001
